Dear Mrs. Potts,

On behalf of thousands of Floridians whose lives have been saved or enhanced through transplantation, those still awaiting a second chance at life, and the many families whose loved ones have given the gift of life as organ and tissue donors, thank you for your support of the Donate Life cause.

This past year the Donate Life Florida team has remained steadfast in our mission to spread the lifesaving message of organ, eye and tissue donation. Last year we had a record year of organ donors and thanks to your support the state donor registry has grown to more than 12 million registered donors.

Enclosed is a copy of the Donate Life Florida 2021 Annual Report which details our initiatives and successes over the past year. We look forward to another year of collaboration to help bring hope to all those who are still waiting.

Sincerely,

Erika Flores
